

# Eastham Country Park Sculpture Trail

 Protecting the future

 Wisdom of the woods

 The Warrener's seat

 A Victorian day out

 The never-ending story

 King of the beasts

 Bear Pit

 Oak wood

 Sea life

 Woodland friends

 Preening

 The Gateway

Arrows around the trail indicate the direction of the nearest sculpture.

The sculptures on the trail were created over a two year period by local sculptor Bill Welch. All of the sculptures are carved out of natural fallen timber from Eastham Country Park. Each sculpture represents an aspect of the wildlife and history of the park. Eventually, these works of art will decay, returning to the soil to become part of the woodland cycle again.

*Sculpture trail installed with the help of Wirral Probation Service.  
Map design & artwork – Vicky Hose - Wirral Ranger Service.  
Printed by Brookdale Printing in support of The Friends of Eastham Country Park.  
Produced by Alan Smail - Wirral Ranger Service.*
